

SURFACE CLEANER

A multi-functional, ready to use cleaning product, that utilizes naturally occurring, oil-consuming microbes and non-toxic surfactants to break down oils, fluids, and grease. It may be used on concrete, brick, tile, metal and many other surfaces where hydrocarbon based oils are present.

Make your space AQUA Tite

1 GALLON (3.785 LITERS)

MADE IN THE USA

APPLICATION INSTRUCTIONS:

Wear protective gloves and eye protection. Avoid breathing dust and mist. Prepare surface by wetting the contaminated area with water then spray or pour SURFACE CLEANER. Let stand for 3-4 minutes. Scrub entire area thoroughly with a stiff broom or mechanical scrubber. Keep area moist by adding water - **do not let the treated area dry out.** Wait 15-30 minutes and then rinse with water. Heavily contaminated areas may need to let stand for 1 to 2 hours.

WARNING: May cause an allergic reaction. May cause eye or skin irritation. May be harmful if swallowed.

FIRST AID TREATMENT: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, seek medical attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs, seek medical advice. Wash contaminated clothes before wearing again. IF SWALLOWED: Rinse mouth and throat thoroughly with water. Call POISON CONTROL or seek medical advice if you feel unwell. Keep out of reach of children.

Store in cool, dry, well ventilated area. DO NOT freeze or store above 120°F.

Dispose of contents in accordance with all applicable local, regional and national regulations.
